Klamath County Developmental Disabilities Eligibility Determination Process

- For an individual under the age of 18, the Eligibility process begins at the request of the parent or legal guardian.
- For an individual over the age of 18, the Eligibility process begins at the request of the Individual, or if applicable, a legal guardian.
- Fax Referral form to Klamath County Developmental Disabilities Services:
Fax: 541-885-3709, ATTN: Eligibility Department.
- An Eligibility Specialist or Case Aide from Klamath County Developmental Disabilities (KCDDS) will contact the individual/family to gather demographic information and schedule an intake to apply for Developmental Disabilities Services.
- KCDDS will let the individual know what items to bring such as **Identification, Proof of Citizenship, and any disability related documentation from schools, medical clinics, hospitals, etc.** If the individual does not have disability related information available, KCDDS can request these items from Doctors' Offices, Schools, ECI, etc.
- At the intake we will complete an application and sign releases of information.
- The eligibility process can take up to 90 days or longer depending on what information is available and/or if testing is required.
- At the end of the process the individual will be notified of the eligibility decision. If eligible, a Service Coordinator will be assigned to discuss the services we provide and the services the individual is interested in receiving.
