3. In The Matter Of Approving The Minutes From The Last Counsel Meeting.

Commissioner DeGroot approves minutes from last Counsel meeting.

4. Spence Trail Use Agreement

Commissioner DeGroot explains we need to create an agreement with the County and Klamath Trails Alliance regarding trail development and maintenance. Commissioner Minty is so appreciative of KTA and their work. Henderson agrees that we need an agreement. Commissioner DeGroot questions which department should house "Spence Mountain" either Parks or Property Management, explains what oversight will need to be done (Trails and Timber)? Commissioner Minty suggests bringing both departments to a meeting to discuss. Commissioner Henslee thinks it should land in "Parks" as Jeremy Morris is very broad/future forward thinking and he and Tom Crist would make a great team. Counsel to draft agreement, loop in Tom and Jeremy then bring back to Board.
