

Clerk

Significant Changes

- Increase in Passports due to “Real ID” we do a minimum of 5 per day.
- Re-districting will happen in FY 2021 due to data from Census.
- We will be switching to secrecy sleeves in ballots to increase election productivity, thus making more availability of results at 8pm.
- We are requesting a Ballot Scanner/Sorter to increase election productivity and security, minimizing the number of times ballots are handled.
- We are offering a digital research room on our website that allows the search for mortgage and deed records only.
