Summary 175 words which concisely and impartially summarizes the measure and its major effect.

This proposes the annexation of territory into the Klamath County Fire District #3. The District provides fire fighting and life safety services to persons within the District, as well as to persons outside the district through mutual aid agreements. The territory proposed for annexation is in the area of Sprague River and West of Beatty.

If the annexation is approved, the District will extend its permanent property tax rate to the territory that would be annexed to the District. The District's permanent tax rate limit is \$0.9869 per \$1,000 of assessed value.
