¹This includes cases confirmed by diagnostic testing and presumptive cases. Presumptive cases are those without a positive diagnostic test who present COVID-19-like symptoms and had close contact with a confirmed case. County of residence for cases may change as new information becomes available. If changes occur, we will update our counts accordingly. ²For additional details on individuals who have died from COVID-19 in Oregon, please [refer to our press releases](#). ³This includes cases who test negative and are not epi-linked to a confirmed case.
