Oregon reports 1,599 new confirmed and presumptive COVID-19 cases, 9 new deaths

PORTLAND, Ore. -- COVID-19 has claimed nine more lives in Oregon, raising the state's death toll to 905, the Oregon Health Authority reported at 12:01 a.m. today.

As we hit this somber milestone of 900 deaths in Oregon, we want to express our deepest sympathies to all the families that have lost a loved one to this virus. We must honor them by redoubling our efforts to protect one another: Wear a mask, limit social gatherings, keep 6 feet between you and other people who don't live in your home, and wash hands often.

Oregon Health Authority reported 1,599 new confirmed and presumptive cases of COVID-19 as of 12:01 a.m. today, bringing the state total to 74,120.

The new confirmed and presumptive COVID-19 cases reported today are in the following counties: Baker (3), Benton (7), Clackamas (136), Clatsop (1), Columbia (18), Coos (4), Crook (9), Curry (2), Deschutes (78), Douglas (9), Hood River (5), Jackson (57), Jefferson (21), Josephine (14), Klamath (28), Lake (8), Lane (59), Lincoln (6), Linn (30), Malheur (20), Marion (126), Morrow (4), Multnomah (648), Polk (35), Tillamook (5), Umatilla (17), Union (3), Wasco (6), Washington (206), Yamhill (34).

¹This includes cases confirmed by diagnostic testing and presumptive cases. Presumptive cases are those without a positive diagnostic test who present COVID-19-like symptoms and had close contact with a confirmed case. County of residence for cases may change as new information becomes available. If changes occur, we will update our counts accordingly.

²For additional details on individuals who have died from COVID-19 in Oregon, please refer to our press releases.

³This includes cases who test negative and are not epi-linked to a confirmed case.

COVID-19 hospitalizations continue to rise

The number of hospitalized COVID-19 patients across Oregon increased to 539, 10 more than yesterday.

There are 107 COVID-19 patients in intensive care unit (ICU) beds, one more than yesterday.
