CAUTION: Possession of a concealed handgun license does not authorize you to carry a firearm in any federal building, on secured airport areas or in any courthouse where the presiding judge has posted notice of such prohibition. The Klamath County Courthouse and court rooms are posted with this prohibition. If you are apprehended with a weapon on these premises your concealed handgun license may be seized and returned to the Sheriff, and you may be arrested and charged with a crime.

ATTENTION

Oregon law prohibits the issuance of a concealed handgun license to anyone with a felony conviction, a misdemeanor conviction within the last four years or anyone on pretrial release. Oregon law allows for the denial of a concealed handgun license if the Sheriff determines you are a danger based upon a past pattern of unlawful violence or threats of unlawful violence. Federal law (18 USC 922) prohibits issuance of a license to anyone who has **ever** been convicted of a misdemeanor crime of domestic violence. Federal law prohibits anyone who is subject to a court restraining or stalking order relating to domestic violence – to purchase and possess firearms and ammunition or engage in activities involving firearms. In addition, 18 USC 922 prohibits anyone who has renounced their United States citizenship, anyone who has been dishonorably discharged from the United States Armed Services, anyone who is an illegal alien and anyone who is an unlawful user of controlled substances from purchasing or possessing firearms.

DO NOT REPEAT COMPETENCY FOR RENEWALS

You must be able to document compliance of ORS 166.291 (f) by one of the methods provided by law as follows:

- (A) Completion of any NRA firearms safety or training course if handgun safety was a component of the course.
- (B) Completion of any firearms safety or training course or class available to the general public offered by law enforcement, community college or private or public institution or organization or firearms training school utilizing instructors certified by the NRA or a law enforcement agency if handgun safety was a component of the course.
- (C) Completion of any law enforcement firearms safety or training course or class offered for security guards, investigators, reserve law enforcement officers or any other law enforcement officers if handgun safety was a component of the course.
- (D) Presents evidence of equivalent experience with a handgun through participation in organized shooting competition or military service. To present proper documentation through the military service, please bring your DD214. **Your DD214 MUST indicate training/qualification with a handgun, sidearm or pistol.** Should your DD214 indicate only "small arms qualification" it does not qualify as handgun training. In this case, you will need to take a handgun safety course to meet this requirement. Sorry, there are not exceptions allowed by law.
- (E) Is licensed or has been licensed to carry a firearm in this state, **unless the license has been revoked.**
- (F) Completion of any firearms training or safety course or class conducted by a firearms instructor certified by a law enforcement agency or the NRA if handgun safety was a component of the course.

****Attention all concealed handgun license holders:**

You **must** carry your valid concealed handgun license with you whenever you carry a concealed handgun. Failure of a person who carries a concealed handgun also to carry a concealed handgun license is prima facie evidence that the person does not have such a license.

It is the responsibility of the individual license holder to be aware of the expiration date of their license and notify the Sheriff's Office.

ORS 166.295 (2) If a licensee changes residence, the licensee shall report the change of address and the Sheriff shall issue a new license as a duplication for a change of address. The license shall expire upon the same date as would the original.

****United States Citizenship Requirements**

Applicants who were not born in the United States but who have become naturalized U.S. citizens, or who were born in foreign countries as U.S. citizens, must present proof of citizenship at the time of appointment (note - do not mail them; bring them to your appointment.) . A work permit or a legal resident alien card does **not** meet this requirement. Methods that can prove your citizenship status include a U.S. Passport, a certificate of citizenship, an FFS240 (Foreign Service Document) issued at birth, a U.S. Birth Certificate or your original naturalized citizenship certificate. **No photocopies accepted.**
